

## XS+DA0001 Direct Attach Cable 1m

High-quality passive Direct Attach Copper (DAC) cable supporting 1G, 10G, and 25G speeds in a single cable assembly. Ideal for short-range interconnections between switches, routers, and servers in data center and server room environments. Eliminates the need for separate transceivers and patch cables.

### Specifications

<b>Supported Data Rates</b>	1G / 10G / 25G
<b>Cable Length</b>	1 meter
<b>Connector Type</b>	SFP / SFP+ / SFP28
<b>Cable Type</b>	Passive DAC (Twinax)
<b>Cable Gauge</b>	30 AWG
<b>Operating Temp</b>	-40°C to +85°C
<b>Power Consumption</b>	< 1 W
<b>Compliance</b>	SFF-8431 / SFF-8402 / IEEE 802.3by
<b>Compatible</b>	MikroTik CRS3xx / CRS5xx series
<b>Weight</b>	~100 g
<b>Locking Mechanism</b>	Pull-tab latch
<b>Jacket Material</b>	PVC
<b>Warranty</b>	1 Year MikroTik
